

Caroline is an exceptionally talented trainer whose courses and coaching have helped many a teacher **achieve** the much sought after '**outstanding**' grade. She has a wide range of experience in education as a teacher, middle leader in three schools, inspector and school improvement advisor. She is still an **active practitioner** and teaches **demonstration lessons** in schools around the UK and overseas. As the best-selling author of '**How to be an Amazing Teacher**' '**Literacy**

Across the Curriculum Pocketbook' and '**Outstanding Lessons Pocketbook**' Caroline has helped thousands of teachers and schools make a big difference to what they do every day.

Caroline's passion for coaching teachers to improve their practice at every stage of their career shines through in her training. She is an **expert in teaching and learning** with **specialist** expertise in **English** and **Literacy**. Caroline is your perfect training partner whether you want to improve classroom practice or advance skills and achievement in English and literacy.

An in-depth understanding of **learning styles** and **motivation** combined with expertise of how to apply this understanding leads to stunning results with pupils of all abilities. Superb **strategies** for helping **C/D borderline students** make the grade will ensure interventions are high impact, whilst terrific tools for **stretching high achievers** will keep gifted and talented students engaged, focussed and motivated. Her **revision master-classes** which can be booked for **September to January**, give students the **intrinsic motivation and skills** for masterful revision and outstanding achievement.

Bespoke Training

Caroline's training style is warm, engaging, interactive and practical. Delivery will be designed based on your needs and objectives but can include:
