## Alex Quigley

This course is a distillation of Alex's experiences as Director of Huntington Research School, as an English teacher, leader, and as a game-changing author on teaching and learning.

It is your guide to what really works in the English classroom. Researched, formulated, and proven from his years in schools, where he refined countless activities, techniques and engagement tools, re-designed curricula, and chose texts to get the best out of all students. Take away robust strategies to get your pupils striving toward and achieving the highest grades. Gain the insider knowledge to maximise top marks teaching whilst supporting the struggling to ensure your best GCSEs grades this year and next. Get a taste of what's in store through his best-selling books *Teach Now! English*, *Becoming a Great English Teacher*, *The Confident Teacher*, and the hotly anticipated *Closing the Vocabulary Gap* (released later in 2017).

### Beat Ever Increasing Demands

- New requirements for increased rigour in reading, writing, and memory at KS3 and GCSE
- What are the new hurdles in the new English curricula?
- Understand the core importance of effective curriculum design

### Is Your Approach to GCSE Success Working?

- Does our assessment model actually improve learning? How does yours compare?
- Which students are reading, writing, and speaking better as a result?
- How do we best assess the impact of our changes in practice?

### Ideal for:

- GCSE English & English Literature Teachers
- Leaders of English

**"A stunning programme from one of the UK's most respected English teachers."**

Geoff Barton, former Headteacher, King Edward VI School

### A Day Devoted to Knowledge and Skills

Essential knowledge and best practice for the new English GCSEs.

- Reading: engage all students to comprehend complex texts and make skilful inferences.
- Writing: how to boost written expression.
- Vocabulary: expand student vocabulary through discussion and high-level detail.
- Spelling: go beyond spelling tests and using the dictionary. Embed life-changing spelling tactics.
- Speaking: methods to enhance expression, performance skills, and oracy.
- Feedback: evidence-based approaches that transform students' learning.

### Embed the Building Blocks of Great English Teaching

A Masterclass of Evidence Based Teaching Tools.

- Develop students' academic vocabulary and close the vocabulary gap.
- Widen access and enjoyment of more challenging texts.
- Train students to read and analyse great literary texts with fluency.
- Entrench techniques for outstanding essay writing and quick quotation recall.
- Equip students with the means to be successful writers: from essays to narrative writing.
- Gain expert guidance to apply these building blocks in your school today.
