Close the Gap: Maths at KS2 & 3 6 Steps to Attainment Success

An unmissable post-Covid 'bounce-back' course with researched, evidenced, and proven techniques to turbo-charge Maths teaching.

Over half of pupils eligible for Free School Meals may not achieve the expected level in Maths by age 16 in 2021. Give your pupils the tools, confidence and knowledge to confound the predictions, regardless of any disadvantage, low attainment history, or insecurities surrounding Maths learning.

Course Leader

 @IanTaylor_Maths

Ian Taylor

A national icon and long-time Independent Thinking Associate, Ian has made a name for himself by turning around Maths results internationally and in the UK. Today he spearheads a community of 58 academies and 1500 associate schools as a National Leader of Curriculum. Prior to this role, Ian was the Numeracy and Mathematics Lead where he pioneered a game-changing assessment tool for Maths departments. Expect a masterclass in bringing out the best in all learners; from the underachiever, the coaster, the learner who has simply given up, to the student who really wants to raise their game. A course with a real focus on filling the widening post-lockdown gaps.

The Best in Effective Assessment

- Embed oral and written assessment on a daily, weekly, and monthly basis.
- Learn how outstanding assessment informs planning and addresses catch-up fast.
- Improve marking to improve pupil progress and reduce teacher workload.

Ready-To-Go Outstanding Maths Ideas

- Build your base of relevant manipulatives, representations, stories, and scaffolds.
- Pick up great problem-solving techniques to improve logical thinking in challenging times.
- Learn proven examples of low threshold, high ceiling tasks.

Available as **Live & Online**

See back for details.

Instantly Improve Pupil Independence

- Model a positive/growth mindset to banish any fear of Maths.
- Learn best practice pupil metacognition.
- Understand common difficulties with the tools to avoid common misconceptions.

Maximise Pupils' Mathematical Knowledge

- How to teach pupils to understand procedures quickly and spot connections.
- Discover the crucial number facts learners need to know.
- Amplify mathematical language in every lesson by learning how to embrace discussion and dialogue.

Early Interventions For Early Success

- Explore best practice quick-fire interventions for ease and effectiveness and maximise results with minimal disruption for pupils and staff.
- Integrate interventions and lesson time seamlessly.
- How to sell it! Seeing interventions as a benefit not a punishment.

Master Primary To Secondary Transitions

- Develop a shared understanding of curriculum, teaching, and learning.
- Discover essential preparations for Year 6 and how to quickly grasp pupils' strengths and weaknesses in Year 7.

Who Should Attend?

For all KS2 & 3 Maths teachers and Maths coordinators and senior leadership teams who want to slam shut the maths gap.

Close the Gap: Maths at KS2 & 3
